

## REMARKS

Claims 1 and 10 have been combined into a single new independent claim into which has also been incorporated features of dependent claims 2, 4, 5, 11, 14 and 15.

The objections to claim language and the rejections under 35 USC 112 have been met by the revised claims.

Claim 1 has been amended to incorporate the features of claims that the examiner found allowable and claim 10 has been canceled. Since claims 1 and 10 were the only claims rejected under 35 USC 102 or 35 USC 103, it is believed that the claims as now presented meet the requirements of both of these sections.

In view of the foregoing, it is submitted that this application is in order for allowance and an early action to this end is respectfully solicited.

Respectfully submitted,

---
